

*The book of love is long and boring
No one can lift the damn thing It's full
of charts and facts and figures And instructions for
dancing But I I love it when you read to me And you
You can read me anything The book of love has music
in it In fact that's where music comes from Some of it
is just transcendental Some of it is just really dumb
But I I love it when you sing to me And
you You can sing me anything The
book of love is long and boring
And written very long ago
It's full of flowers
and heart-shaped
boxes And
things*
